If you are successful, rehearsals will continue on Thursday 26th February at Marlborough School. You will be required to pay subs of £45 which covers you from February through to the end of show. When you break down the cost per rehearsal it makes us one of the best value theatre groups around!

Our rehearsals take place every Thursday evening from 7pm – 9.30pm at Marlborough School. From Easter onwards, we will then incorporate rehearsals on a Tuesday evening at the same venue. You will be informed each week as to who will be required to attend these rehearsals. Sometimes it will be a full cast call, sometimes a small group of chorus members etc.
